Re: Claims of Ms. Brudd

Dear Mr. Newsom:

I tried to contact you over the past few weeks without success. I left you my phone number in western Colorado where I was helping deal with a family medical emergency. Unfortunately, I did not hear from you. I was hoping to discuss bridging the differences regarding the language of a settlement release.

Fort Dodge's failure to respond, coupled with your organization's ongoing "handling" of the concerns of Ms. Brudd and other pet owners, prompted Ms. Brudd to write the enclosed letter. She has asked that I forward this letter to you. Ms. Brudd would rather maintain her integrity and voice than to continue insensitive discussions with Fort Dodge. Fort Dodge could have resolved these important claims had they been responsive.

If you have any questions, you may contact me or Ms. Brudd in writing.

Very truly yours,

KAYE AND BUSH, LLC
